

At **Magma Design** we understand that the essence of effective advertising is

good design

We are a local company but we have cooked up delicious designs for a wide range of businesses around New Zealand.

To view a selection of our work visit www.magmadesign.co.nz

Advertising costs are hard to swallow when the results are bland and unappetising.

Spice up
your business image

with the essential ingredient of great design, and make it much more **appealing to potential customers.**

So why not take advantage of our 12 years design and advertising **experience** for your business promotion?

“ Magma's extraordinary creative talents have helped my clients cut through traditional advertising words and clutter. The results have been staggering. ”

David Grogan, Director Touchstone Direct Marketing

Give us a call and we can serve up a smorgasbord of ideas to help your business get a bigger slice of the action.
